

## Community Partnerships Quantum Leap Winery

Writer's Block bookstore has partnered with Quantum Leap Winery ([www.quantumleapwinery.com](http://www.quantumleapwinery.com)) to establish a successful series called Wine, Wisdom & Words, where we host author events and book signings in the beautiful venue located in the heart of Orlando easily accessed by the entire Central Florida region. With a capacity of up to 200 people, the Winery offers flexibility with event spaces that include the Tasting Room and the Barrel Room.

We promote our Wine, Wisdom, and Words Series through the Bookstore and the Winery's websites, marketing, and social media platforms, which have a combined reach of nearly 12,000 followers on Facebook alone.

Since 2018, authors such as, Mary Alice Monroe, Elin Hilderbrand, Kristin Harmel, Beatriz Williams, Lauren Wilig, Karen White and Preston & Childs have all had successful events at this beautiful venue. We are now booking events for 2021 where the venue has capability to create a COVID safe events.
