

Thank you for the allowing us to introduce our Virtual Book Fair Program. Our goal is to help Media Specialists have successful book fairs. As a full-service independent bookstore with locations in downtown Winter Park and Winter Garden, we have been working with Orange County Schools since opening our doors in 2014. In addition to having all your favorite books, we provide resources for educators including virtual book fairs, virtual author visits, Sunshine State Young Readers books, and more. We also offer teacher discounts and other perks with our robust Educator Discount Program.

**Orange County  
Public Schools**

During these unprecedented times, it is more important than ever to keep students reading and engaged. Our Virtual Book Fair Program helps achieve this by making sure home libraries remain stocked. The Program is flexible and customizable to the needs, age groups, and interests of the organization and its students. [Click here to view our customizable book fair template](#)

Some of the things that make our Virtual Book Fair Program unique, include:

- **Credits/Discounts** — Our book fair allows schools to receive credit for each item purchased by students and parents. These credits can be combined into one lump sum then applied toward the purchase of additional items for your school. Additionally, Writer's Block offers a discount to parents who purchase from our online store after the fair closes, a benefit that nobody else provides.
- **Quick Turnaround** — Online book fairs can be up and running in two weeks or less and can last as long/short as the organization prefers.
- **Access to Publishers and Inventory** — We have excellent relationships with all major book publishers and access to an endless assortment of books, so availability is rarely an issue.
- **Customized Collections** — We have curated a custom collection that is separated by age and genre. [Click here to see our collections](#)
- **Not Just Children's Books** — We offer a complete assortment of books, including adult, fiction, non-fiction, biographies, cookbooks, and more that are all eligible to earn credits for your school.
- **Personalized Customer Service** — With a dedicated staff focused on providing the most comprehensive customer service, we will be with you every step of the way by keeping track of every order until it is complete and swiftly resolving any issues.
- **Flexible Shipping** — Books can be shipped to your school, student's homes, or picked up at the store. Books over \$25 will be shipped for free.
- **Virtual Author Visits** — In addition to a robust inventory and providing exceptional customer service, we can facilitate virtual author visits. We have access to a lengthy and growing list of authors who are available to participate in virtual school visits that could enhance the book fair experience.

*“Writer's Block Bookstore was a great choice for our library fundraiser this past Fall. The online book fair was as easy as can be, and the staff was very helpful before, during, and after the event. I could not ask for a better experience and look forward to using them again in the Spring!”*
