### WRITER'S BLOCK BOOKSTORE MOVING TO A NEW LOCATION IN THE FALL 2019

Writer's Block Bookstore of Winter Park, (Orlando) Florida is moving just a few blocks from its existing location to the main street of downtown Winter Park's prestigious and one of this country's most walkable streets, Park Avenue. Park Avenue, a dining and cultural gem – boasts boutiques, sidewalk cafes, and museums, all in the shadow of oak-canopied Central Park. ### THE NEW SPACE

“Our books will be surrounded by intimate spaces, sprawled out in an open environment perfect for events. We are hiring award winning interior designers that will come together to design special spaces, such as an interactive tree house that will showcase picture books with a playhouse inside, lighting and ceiling design that will separate and highlight the collections. My plan is to create a state-of-the-art bookstore that is inviting and warm and easy to navigate. We have a covered outdoor patio where customers can enjoy a book, have a glass of wine or tea, window benches carved inside bookcases along the walls, and a wine and coffee bar. I am so excited about our plans where we will finally be able to have great events, more exposure, inviting spaces that our community and tourists will love and come back again and again.”

**The new location, 320 N. Park Avenue, Winter Park, Florida, 32789, will be open September 2019.(google maps <https://goo.gl/maps/FxA2ZdXjdQP2> )**
